Principal's Message

Assembly message: Growth mindset

Episode four of the growth mindset story continued on assembly this week. We looked at the amazing brain and the need to improve ourselves with challenging learning.

If parents are interested the link below is to the short digital video clip I shared on assembly:

https://www.youtube.com/watch?v=RGutiNBuW_M

Free Dress Day

Thank you to the students and families who supported today's free dress day in support of the Heartkids charity. There was lots of maroon

around the school today with the occasional blue jumper spotted. Go the mighty maroons!

Report Cards

During the last week of this term we will be emailing out reports cards to our parents.

Please make sure we have an up to date record of your email address, thank you.

Girl's Touch Football

Congratulations to the senior girls who represented the school at a Gala touch carnival last Sunday.

The girls played very well and improved all day to end up making the grand final in the afternoon. Unfortunately they lost the final to an experienced opposition but demonstrated a good attitude, effort and sportsmanship.

Huge thanks to their coach Mrs Simpson for training the students after school and coaching them on Sunday.

Toowoomba Regional Council

Wishes to advise of the following temporary road closure as part of the Glenvale Road/Hampton Street roundabout works. When: From Saturday 28 May a? Saturday 18 June 2016, weather permitting. Where: The intersection of Glenvale Road and Hampton Street, Toowoomba

Please observe signage for alternative routes. Local access will be maintained at all times. Council thanks residents and motorists for your patience during these works. This Project has been funded through the Federal Government's Black Spot Program.

For more information please phone Toowoomba Regional Council on 131 872 or email info@tr.qld.gov.au.

P & C News -Vice-President

Hi, my name is Belinda and I am the Vice-President for 2016.

My association with the school started back in 2008, when my eldest daughter started Prep. She completed Prep and grade 1 before we moved away for a couple of years, only to return at the start of grade 4 for her. She has now completed her primary schooling and is in grade 8 at high school. My youngest daughter is currently in grade 3 and has been at the school since Prep.

I have been involved with the P&C for the past 4 years, and I thoroughly enjoy seeing the difference that the association makes to the school. I truly believe that the P&C is an asset to the school, and makes valuable contributions every year. We always strive to put the best interests of the children first, and we are very fortunate to have an excellent working relationship with the school.

I will admit that my first thought about a P&C was that it was very elite and only certain people could attend, and this was mainly due to what I had heard other people say about them, however, I learned very quickly that this

is only a myth, and for our P&C, is completely untrue!

As a P&C, we welcome everyone with open arms, and everyone has equal input into decisions, so if you have ever thought that you shouldn't get involved in the P&C because of myths, or others pre-conceived ideas of them, please do not let those opinions affect you and come along and see for yourself just how friendly we all are.

Tuckshop News

Have you ever thought about volunteering??

Have a look at these statistics showing how easily you can help the school.

Community News 01 June 2016
