Principal's Message

Darling Downs Readers Cup Champions

Congratulations to the Glenvale School team who competed at the Regional Readers Cup competition yesterday afternoon. They were fantastic and won the competition for the third year in a row.

The students involved have worked incredibly hard and the preparation has also included three training sessions on a Sunday morning at school.

Readers Cup involves teams reading five novels and then being quizzed on the novels. It really is an impressive achievement to have read the five books in a short space of time and then put in the time and effort to memorise the content and characters of the book. The skills the team have developed will stand them in good stead when they get to High School and have all those exams to revise for!

The next step for the team is the States competition will be on next term in Brisbane. Congratulations to the students who competed yesterday and to all the students who have put in

the time and effort as part of Readers Cup: Cosme, Rachael, Beth, Kirra, Kaitlyn, Olivia, Allyx and Wyatt.

The Glenvale Team with Author Karen Foxlee

Free Dress day for Chaplaincy

Next Thursday June 23rd we will have a 'Free Dress for Chaplaincy' day where gold coin donations will support Chaplaincy at Glenvale State School. ChappyCath's favourite letter is P so the theme for the day is the letter P. We may well see lots of princesses, pirates, pink, power rangers, purple, parrots, pandas or even pumpkins!

Change to disabled parking in front of school office

The change to the parking arrangement in front of the school office has occurred and I would like to thank the community for their understanding and a smooth transition. The students and parents can now walk through the school safely and there is capacity for access to a disabled car park if needed.

National Collection of Data on School Students with Disability information Update

The government collects data on school students with disability to help teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability. All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

All Australian schools participate in this annual data collection. The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any

data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you. While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child's details to be included, please let the school know.

Information and fact sheets are available to help you make a decision from the:

- Department's website:
<http://education.qld.gov.au/curriculum/disability-data-collection.html>

- Australian Government Department of Education website:
<http://education.gov.au/nationally-consistent-collection-data-school-students-disability>

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact the school directly.

GRAB Day -Tuesday 21 June

GRAB Day rewards for this term will be held next Tuesday. Students on gold and silver level will be rewarded by participating in rotational games on the Peter Burton oval. Students on gold level will receive a bonus of pizza after they have completed their round of games. The pizza will only be a snack and is not to replace your child's normal school lunches.

100 Days of Prep Shirt

Payment of \$12.50 for 100 Days of Prep Shirt is due by this Friday 17 June.

Payments can be made through the office by cash or card or online using BPoint (details on tax invoice). Thank you

Sports Carnival Attire

Children in Year 4-7 may wear a t-shirt the colour of their house team on Thursday to the field events. On Friday all children may come dressed in the colour of their house. On the Friday only, children may colour their hair but this needs to be done at home. No aerosols at school please. Hats will need to be able to be worn still.
