## Camp Burleigh Year 5 Camp 2016

Last week the Year Fives went to their annual camp at Burleigh Heads. They were able to experience a range of camping activities designed to improve teamwork, develop leadership as well as be lots of fun! Some of the activities included raft building, team games, body boarding, tube riding and surfing. It was an amazing experience and the students returned home tired after a fun and challenging week. Special mention must be made of the student behaviour through the week which was of its usual high standard.

## Music Tour

On Tuesday our concert band and choir held their annual Music Tour to Glenvale Villas and Drayton Villas. This gave all of the students involved an opportunity to perform pieces they have practised for many months to an audience away from the school. The students certainly enjoyed the opportunity to travel and perform, and they gave 2 excellent performances. It was pleasing to see so many students involved in the band and choir and we hope to be able to keep the high numbers in the music program 2017. Special thanks must go to Miss Meneely and Mr Lanzafame who gave so much of their time to help the students achieve at such a high standard.

## Quad Bike Safety Resources

The school has been given a number of quad bike safety resources for use by students. These include posters, colouring in and a craft activity all designed to increase awareness of good safety habits when riding a quad bike. These will be available at the front office for collection by any students or parents who are involved in recreational quad bike activities. For more information on the web check out the Ride Ready campaign at [www.qld.gov.au/rideready](http://www.qld.gov.au/rideready)

## Student Banking

### No banking in Week 10 - the last week of school

Students can send in two deposits in week 9 if they wish. Both deposits will be collected on banking day, but deposited on separate days. Hopefully rewards that are ordered in week 8 will be received and distributed in week 9 or 10, depending on Australia Post. Many rewards are

now out of stock and a second choice may need to be ordered - sorry for the inconvenience.

## Shoobox Appeal

Help the Salvation Army help a family in need. Once again this year our school community can support local families in need through our shoebox appeal. Families are encouraged to fill a shoebox with items suitable for a boy or girl as a gift these holidays. Students will be able to bring along their gift to assembly on Monday 28th November at 9:00 am. The Salvation Army will be in attendance to receive these and distribute to needy families.

## Christmas Service

This year our Christmas service will be a culmination of the religious instruction program here at school. It will be held on Thursday, 1st December at 9:00 am in our school hall. Only students who currently attend religious instruction (years one-six) will be eligible to attend this service. Students who do not attend religious instruction will remain in classes.
