End of year celebrations

Fete: Saturday 22nd October

The Fete is not far away now and it's all systems go for the school and community as we get ready. Please have a think about how you can help your class or help the Fete generally. Stalls have been allocated to classes as per the list below and we would like parents to do a short stint on the stalls please. The P&C email pandc@glenvale.ss.eq.edu.au is also available if parents would like to contact the Fete organizers.

The main aim of the Fete is to bring together the Glenvale community in a day of fun activities. We are looking forward to a great day.

Prep 2017 enrolments interviews

Enrolment interviews are being organized now for the Prep year in 2017. Children born between July 1st 2011 and June 30th 2012 are eligible to enrol. In catchment enrolments will be accepted first and currently there is limited space to allow for out of catchment offers.

End of Term 3 superhero fun

We celebrated the end of a very busy Term 3 with the Muscular Dystrophy Superhero Day, lots of fun was had by all. The most popular activity on the day appeared to be the 'Hulk Smash' with some spectacular smashing down of the big foam wall.

Choir performance on assembly

On Monday the school choir will perform on assembly. Their planned performance at the TYME festival last term was unfortunately washed out.

Attendance and Unexplained Absences School

Attendance

Our current school attendance for the year is 93.9%. All families are reminded of the importance of regular school attendance to improve learning and maintain friendships with peers.

Unexplained absences from last term will be followed up in the first two weeks this term so we can ensure that our records are up to date. Remember, it is a requirement for all absences to be explained by a parent or adult caregiver. Families will be contacted by phone, email or letter. These absences need to be updated by next Friday, the 14th of October.

NAPLAN Online Trial School

As one of the 69 schools across the state to trial the online NAPLAN tests, Glenvale has had a highly successful introduction to the future of NAPLAN. Students from years 2 to 5 experienced an online writing test and general test as part of the trial. The information we have gained from the

trial will be used to develop programs that will assist students to undertake assessment work using online tools. The trial also proved that we have the computer facilities to undertake NAPLAN online tests in the future
