SMART CHOICE FOOD & DRINK CRITERIA FOR QUEENSLAND SCHOOLS

Our School Tuckshop complies with the smart choices food and drink criterion which is set out by the Queensland Government. It is classified as the following:

GREEN - foods that are healthy and children should be encouraged to eat these foods daily.

AMBER - these goods should be selected carefully, while they generally are low in fat, salt and sugar. It is recommended that the children should only choose ONE of these items in a breaktime.

RED - these are occasional foods. They include lollies, chips and soft drinks.

ALLERGIES

Does your child suffer from any food related allergies?

If so, please feel free to pop in or call the Tuckshop to have a chat about how we can help.
