School Overview

Glenvale State School has been serving the community since 1882 and has a proud history of being a welcoming school that strives to bring out the best in its students. It provides a comprehensive education to approximately 770 students from Prep to Year 6 in a co-educational setting. At Glenvale, students feel success and excel and confidently master new skills. Our Prep to Year 6 curriculum is based on the Australian Curriculum and is enacted through the Queensland Department of Education C2C resources. English and Mathematics form the foundation for our balanced and innovative teaching programs. Our computer labs, large activities hall and extensive outdoor play spaces are valued by students. Our students have opportunities to participate in a wide variety of cultural activities including performances, eisteddfod competitions (choir and instrumental music), Wakairri and local sporting competitions. The value of the parental role in education is well recognised at Glenvale State School. Parents are encouraged to become actively involved in the school by volunteering in classrooms, the tuckshop or getting involved with our active Parents and Citizens Association.

Principal's Foreword

Introduction

I am delighted to present this School Annual Report for Glenvale State School. This report provides an orientation to our school and includes important information highlighting our endeavours from 2016. Glenvale State School has a proud tradition of excellence within a positive, caring environment.

During 2016 we continued to develop and implement our pedagogical framework and curriculum with a particular emphasis on the Australian Curriculum areas of English, Maths, Science, History and Geography. School enrolments have continued to grow and the School Enrolment Management Plan has been reviewed and the school remains enrolment managed.

This again has been a successful year for Glenvale State School and credit must go to all staff, students, parents and community members for their contributions to the school. For 2017 and beyond we will continue to strive for excellence within a positive, caring environment.

School Progress towards its goals in 2016

Glenvale State School is a progressive school with high academic, social and behavioural expectations. The Glenvale State School's leadership team led the development and implementation of an improvement agenda and curriculum framework that is designed to meet all students' need.

The School Improvement Agenda in 2016 with target areas

Target area	Outcome
Improved student outcomes in Reading, Writing, Numeracy and Science	Consistent strong performance and improvement in NAPLAN and school based assessments
Sharp and narrow focus on the teaching of reading	School and regional targets met
Improved student attendance	Increase in average attendance across school
Implement investing 4 success plan	Investing 4 Success plan enacted with improved student results and additional professional learning for staff

Other key priorities

Target area	Outcome
Refine and embed the school wide pedagogical framework featuring 'standards of practice'	The pedagogical framework is the key strategic document and great progress has been made in the establishment of the framework with all teachers
Implement the Australian Curriculum in English, Maths, Science, History and Geography using the EQ authored C2C curriculum resources	The Australian Curriculum is enacted consistently and with great rigour
Develop leadership density within the school with classified officers and the teacher Pedagogical Leaders	Leadership density and performance has increased significantly with a number of staff in a variety of leadership roles within the school. This has been achieved through a coaching and mentoring process and a strong collegial culture

In 2016, Glenvale State School used the 'I4S' funding to:

- Target specific groups of students and implement research validated intervention programs
- Build teacher capability in analyzing student performance data to develop differentiated programs to improve student outcomes
- Employ a full time pedagogical coach to lead teachers in data analysis and explicit instruction practices
- Increase leadership density through establishing key teachers as Pedagogical Leaders
- Regularly review student performance data (as per Glenvale SS Assessment Framework)

During 2016, we have focused on maximising the benefits of this funding for our students, it is clear that we met or exceeded our targeted student outcomes.

In 2016, the Glenvale community strived for our school vision of 'Every One, Every Day, Achieving Together' and have made substantial progress. Other highlights of an excellent year include:

- Our new prep students settling in and having a great year
- Excellent teaching and learning
- Student leadership
- Interschool and extra-curricular sport
- Prep events like father's superhero day, mothers' day pampering and carnival of flowers
- School camps – Canberra, Burleigh heads, Emu Gully
- Extracurricular activities like Art Club
- Book week
- Readers Cup regional champions
- Band and choir opportunities

Future Outlook

In 2017 we plan to implement the range of initiatives as outlined in our 2016 School Implementation which will enable us to continue to produce excellent learning outcomes for our students.

Initiatives include:

- Implementing the Australian Curriculum areas of English, Maths, Science, History and Geography using C2C resources
- Continuing to refine and improve the teaching of reading using Explicit Instruction as our signature pedagogy
- Building productive partnerships with the Glenvale community
- Focus on numeracy and improvement of student outcomes and numeracy pedagogical practice
- Embedding the pedagogical framework and standards of practice

Characteristics of the Student Body

Overview

Glenvale State School has a large number of students who enjoy their whole primary schooling at Glenvale. The occupations of the families at Glenvale State School are varied and include owners and managers of businesses, a variety of professionals, trades people, students and Australian Defence Forces personnel. There are fewer parents in rural occupations; however there are a number of families in the agricultural service area.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2014	2015*	2016
Prep – Year 3	23	23	22
Year 4 – Year 7	26	23	25

Curriculum Delivery

Our Approach to Curriculum Delivery

Our curriculum focuses on a rigorously enacted Australian Curriculum areas enacted using EQ authored C2C materials and a specific focus on developing students' literacy skills in targeted literacy lessons. Each year level has four x one hour uninterrupted sessions weekly dedicated to targeted literacy lessons where students are working in small groups which are organised according to reading data. This allows for focussed reading lessons at their level of instruction. Teachers and teacher aides are involved in these sessions to give group sizes of approximately six students.

Years 5 and 6 students study the Indonesian language for 2 lessons per week. All classes access specialist teachers for music and PE lessons each week. Year 5 & 6 have one PE lesson and Friday afternoon sport.

Co-curricular Activities

The Instrumental Music Program is offered for Year 4-6 students. They learn brass, woodwind or percussion instruments and take part in our Concert Band which sounds fantastic.

Choirs are offered to Year 2-6 students. Students have an opportunity once every two years to participate in the Wakakirri rock eisteddfod program where they compete against other schools.

We play Interschool Sport in hockey, soccer, league, netball, touch football, Aussie Rules and softball.

Senior students have opportunity to participate and compete in the Readers Cup competition each year.

How Information and Communication Technologies are used to Assist Learning

Glenvale has five dedicated ICT labs at the school and pods of student laptops and ipads. Each teacher has been provided with a laptop as well as digital projectors and interactive whiteboard screens permanently installed in each classroom.

Computers and ICTs are integrated into all curriculum areas across the school and are viewed as being one more vital tool to enhance and support learning. Computers assist student learning at Glenvale within and across key learning areas. Glenvale has aligned a teacher aide to provide support for students when accessing ICTs.

Social Climate

Overview

The school is justifiably proud of its high standard of student behaviour, academic, sporting and cultural pursuits and the positive, supportive tone of both the school and community. This is reflected in the excellent results of parent, staff and student satisfaction with our school, as indicated in the School Opinion Survey data in the section below.

The school enjoys a very caring and positive school climate that has a common focus upon support and experiencing success. This is enhanced and encouraged through extensive parental and community involvement and through the services of our Guidance officer, visiting Speech Language Pathologist, implementation of our positive behaviour support program and the services of our chaplain.

Parent and community engagement

Parental involvement in each child's education is encouraged and ample opportunities exist at various levels to enable parents to be engaged to an extent that suits them best. This involvement ranges from attendance at events and functions (like literacy and numeracy information sessions) to volunteering to assist in classrooms through to involvement at a decision making level through the P&C Association. The energetic P&C Association works cooperatively within the whole school. They operate the tuckshop, uniform shop and Outside School Hours Care service.

Respectful relationships programs

The school has developed and implemented a program that focuses on appropriate, respectful and healthy relationships. The *Respectful relationships education program* — an initiative of the Queensland Government — is part of a broader multi-departmental commitment to ending domestic and family violence. By implementing the Respectful relationships education program, Glensvale State School will give students opportunities for social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, stereotypes, human rights, risk and responsible decision-making. The Prep to Year 6 programs are aligned to the Australian Curriculum: Health and Physical Education and will be delivered through this learning area. Specialised resources for schools and teachers are used which include program guidelines, teaching overviews and resources for each year level.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	13	11	10
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	1	0	0
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

During 2016 the school maintained many sustainable initiatives including solar panels, water tanks and 'veggie gardens'.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	187,310	2,167
2014-2015	193,869	
2015-2016		

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2016			
Description	2014	2015	2016
The overall attendance rate* for the students at this school (shown as a percentage).	94%	95%	95%
The attendance rate for Indigenous students at this school (shown as a percentage).	90%	92%	91%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2016 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL								
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7

2016	95%	94%	94%	95%	95%	96%	93%	

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism. Attendance is monitored and managed carefully by the teachers and a school deputy principal. The attendance roll is marked twice daily and phone calls are made to parents to follow up unexplained absences.
